

*A taste of India,  
made for the world*

# About anand jolliz

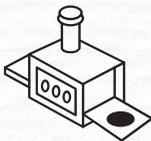

- Snacking makes life differently tasteful, and that's why snacking begins delightfully with Anand Jolliz. Anand Jolliz is a namkeen brand based in Gujarat for more than 20 years with a promise to deliver the first-rate quality. It has thrived in the market with only one objective to provide happiness through the unbeatable taste of its namkeen products.
- While we are expanding the horizons and adding new products to our brand we are making sure that we don't compromise at any level Taste and Health. For this, we took 20 good years because we always believed in giving the best or nothing at all. Finest ingredients have always been our priority and the trust of our dealers and consumers the driving force behind our every endeavor
- We Manufacture All Type Of Snacks:  
Namkeen, Fryums, Corn Varieties, Wafers & Sweet Treats.

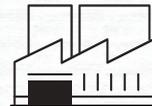

# Our speciality

- Anand Jolliz has always been a family-owned business. Everybody in Jolliz team is passionate about giving the snack lovers the taste they deserve, which is unmatched and untempered in every pack of its awesome snacks. Today Anand Jolliz is a very well-known and most appreciated brand in India.
- From North Gujarat's Siddhpur, we have reached every nook and corner of Gujarat with our impeccable tasty snacks and now we are moving to other states of India so everyone can have what we have-great snacks.
- We are moving big with increased production and larger and better facilities in Siddhpur, our homeland. We understand our responsibility towards our Consumers and make sure to maintain all the health standards.

*Spreading  
joy since 1997*

Our production capacity is 100 tonnes per day to keep up with the growing demand

We have a fully automatic plant for super-smooth operation

From ingredients to cooking to packing, our Quality Control team is a perfectionist

Hygiene is part of our daily routine which we follow like our favourite ritual
